Accordingly, in the light of the recommendations of the Group and the Banking Codes Standards Board of India's Code of Commitment for the MSME borrowers, the Bank will lend to the MSMEs through various specially designed products the details of which are enumerated below:

The Bank will finance MSMEs by way of fund based & non-fund based facilities.

a) Cash Credit :

The Bank will provide working capital finance based on the operating cycle for each type of the MSME activity under the following methods:

- i. **MPBF Method:** Working Capital needs will be assessed on the concept of Maximum Permissible Bank Finance (MPBF).
- ii. **Turnover Method:** For accounts with annual Turnover up to ₹ 100.00 lacs or limits upto ₹ 25.00 lacs, the maximum limit will be based on the Turnover method.
- iii. **Cash Flow Method:** The Bank will consider assessing the working capital requirements on cash flow method by adopting Cash Budgeting Method. In such cases the borrowers will satisfy the Bank that they have necessary infrastructure in place to submit the required information periodically on time.

b) Negotiation/Discounting of Bills under Letter of Credit (LCBD)

- The Bank will provide the borrowers' negotiation/ discounting of bills under Letters of Credit. Their requirements will be assessed on the basis of volume of sales under Letters of Credit and the payment terms of the Letters of Credit.
- The discounting/negotiation of bills under Letters of Credit will be restricted to the following two categories only:
 - a. Negotiation of bills under Letters of Credit for borrowers
 - b. Bills drawn under our own Letters of Credit subject to the beneficiary who are not our borrowers but became a member of the Bank.
- LCBD business will be undertaken only at specified branches as intimated from time to time.
- Discounting / negotiation of bills drawn under the Letters of credit of other bank for non borrowers **will not be entertained.**

c) Working Capital Demand Loan:

The Bank will provide Working Capital Demand Loan, a system of delivery of bank credit for ensuring better rationalization in the system of credit administration in banks, instill efficiency in funds management and bestow cost-benefit to the borrowers. The actual "loan component" will be determined in consultation with the borrowers. The Bank will decide on the loan component by offering competitive rate to ensure optimum utilization.

d) Term Loan:

The Bank will provide Term Loans with period of repayment ranging from over three years to a maximum of 10 years to support projects and also for acquiring of capital goods. For infrastructure projects the repayment period will be considered up to 12 years.

Term Loans will be assessed on the following parameters:

- Cost of project,
- Value of land and building - considering the location, type of construction.
- Large size projects
- The Bank normally will consider repayment period of 7 years. However, the same will be extended upto 10 years in deserving cases.
- The computation of moratorium period will be based on any of the criteria like first drawal date, the date of commencement of trial/commercial production, reaching break even level of sales etc.

e) Deferred Guarantees :

The Bank will provide Deferred Payment Guarantees instead of Term Loans to acquire capital goods. The requirement of Deferred Payment Guarantee will be processed on the lines of appraisal of Term Loan requirement with due consideration to DSCR, security and repayment capability of the borrower/ project. In the normal course the period of the Deferred Payment Guarantee will not exceed 5 years.

f) Line of Credit for Fixed Assets:

The Bank will provide Line of Credit to MSME borrowers who require continuous investment in fixed assets which might not be in the form of main assets but ancillaries required by them from time to time. This facility will be provided to avoid diversion of funds. The Line of Credit will be released for purchase of income generating minor fixed assets. The payment will be made directly to the vendors against proper

invoice. Own margin will be brought in by the borrower as per the norms.
